ABOUT PRO MODEL CHANGES

The pros are constantly updating and improving the graphics and shapes of their decks and t-shirts. There's definitely nothing stagnant about this skate business. When the pros come out with a new model, the one it replaces is no longer available to us. So wherever you see "Newest Model Not Shown" next to a photo, that means it changed after our photo deadline. No sweat, no obligation, just call us up for a description of the new improved model.

ABOUT DELIVERY

We will, in all cases, send your order out as promptly as possible. In-stock items are shipped within 24 hours from receipt of your order. UPS delivery should occur within two to eight working days, depending on your location. Next day delivery is available at a small additional charge. Please ask your salesperson for details. You'll be notified by mail of any delays or backorders. Items ordered together may be shipped separately. Shipping to another address and some credit card verifications may cause delays. As always, we're here to answer your questions.

ABOUT SIZING

For many of our customers, the best clothing is somewhat near its mid-life crisis and well worn. No one is fond of stepping into stiff styles, so we keep this in mind when selecting our clothing. Most of our garments are prewashed, constructed to be soft, wearable and long-lasting to meet your demands. Because we represent a number of different manufacturers, sizes vary some, but remember, all the best skate clothes are oversized. So, when in doubt, take it baggy.

Our sales staff maintains a continually updated list of all our apparel in terms of sizes, material content, and washing instructions to help fit you right the first time. Listed below are some general guidelines to help you order the correct size merchandise:

HELMET SIZES:		SMALL	MEDIUM	LARGE		
Hat Size		6 $\frac{1}{2}$ - $\frac{1}{2}$	7 $\frac{1}{2}$	7 $\frac{3}{4}$ - $\frac{3}{4}$
